

# PRODUCT ANNOUNCEMENT

## PRE-INSULATED SHARKBITE PEX PIPE

TAKE THE HARD WORK OUT OF HAVING TO SLEEVE THE PIPE MANUALLY. SIMPLY - CUT. PUSH. DONE.

Pre-Insulated SharkBite Pipe is available with approved thermal insulation. Pre-Insulated SharkBite pipe can be used where required by AS3500 or the relevant installation code. It is ideal for reducing energy wastage due to heat-loss, to reduce heat gain or to reduce the risk of freezing.

CODE	R-VALUE*	DESCRIPTION
F862RR3	0.3	25m x 16mm Pre-Insulated PEX R0.3
F872RR3	0.3	25m x 20mm Pre-Insulated PEX R0.3
F882RR3	0.3	25m x 25mm Pre-Insulated PEX R0.3
F862RR8	0.8	25m x 16mm Pre-Insulated PEX R0.8
F872RR8	0.8	25m x 20mm Pre-Insulated PEX R0.8
F882RR8	0.8	25m x 25mm Pre-Insulated PEX R0.8

\*R-Values have been calculated according to AS4859.1. Compliance with building regulations is the responsibility of the installer and reference should always be made to the relevant plumbing authorities. Where R 0.6 is required, R0.8 exceeds this requirement.

Now available at your local supplier.
